

PA599V

Whether you are looking for an instrument capable of delivering the big powerful round tone needed for classical music or the penetrating edge needed for Jazz, Paesold basses have the deftness of tone to be moulded to your individual style of playing. All Paesold basses are fitted with an ebony fingerboard and traditional D neck.

Paesold basses reflect in mature tonal quality and aesthetic beauty the same skill and care that has gone into the making of our line of master violins, violas and cellos.

Paesold employs trained makers dedicated to making only basses to ensure the consistently high quality of both sound and appearance.

Whichever bass you choose, from an intermediate to a master model with antique finish, the rich Paesold sound is unmistakable.
